- Curriculum Vitae (CV)

Please send us these documents by 30 May for the winter term and 31 November for the summer term.

To apply for your student dormitory, choose one of the following options:

- Amberg
- Weiden

Once you have been approved by UAS Amberg-Weiden to participate in the exchange programme, the staff of the International Office will help you find accommodation. They will also assign you to a buddy, i.e. a German student, who will be your mentor at the UAS Amberg-Weiden for the first weeks during your stay and will help you to settle in.

Please make sure you have valid health insurance and consider getting a supplemental accident insurance policy.

An International Student Identity Card (ISIC) may also be helpful during your stay. The ISIC entitles you to discounts on flights, accommodation, travel, shopping and entertainment all around the world.

### -Accommodation:

Our institution will assist incoming student and staff in finding accommodation, according to the requirements of the

Erasmus Charter for Higher Education. Information and assistance can be provided by:
