-Accommodation :

Student halls of residence

The Students' Union student halls of residence offer particularly suitable and reasonably-priced accommodation.

They have different layouts, locations and facilities. Suitable accommodation is also offered for students with children and for students with disabilities.

There is no application deadline or close of applications for student halls of residence. Therefore, it is advantageous to apply as early as possible to get a room in one of the halls of residence.

Buddy Program

Information about the Buddy-Program for international Students at the Ulm University of Applied Sciences.

What is a "Buddy"?

A Buddy is a German student who will pick you up at the Ulm University of Applied Sciences after your arrival. She/he will show you the dorm, the city and the University. If you have any questions about the life in Ulm you can ask her or him. But she/he will not only help you with organizational questions. She/he knows where to go out in the evening and might also turn into a good friend here.

Why would I need a Buddy?

If it is your first time in a new city or in another country, for sure you will have a lot of questions. We created the Buddy-Program to ensure that you will have a great time here in Ulm at the University.

How and when can I apply for a Buddy?

On our homepage of the International Office you will find an application form. Send this form to our coordinator (aaahiwi@mail.hs-ulm.de) and we will enrol you in the Buddy-Program.

What can I expect from my Buddy?

You will get her/his email address approximately two weeks before your arrival so you can exchange interests and hobbies with her/him. Your Buddy will pick you up at your arrival, bring you to your dorm and answer your questions about the life here in Ulm. She/he won't be there to answer your questions 24/7 and you can't expect from him to meet with you every day, because you may not be the only international student he will help and he may also have to do a lot for his studies.

What can I ask my Buddy, with what questions should I go to the International Office?

You can ask her/him everything in connection with the life in Ulm and the university e.g. where to get a haircut or a good coffee. Everything that is official or related to your studies will be answered at the International Office. (dormitory, health insurance, visa, banking, registration, academic matters ...)

If I don't get along with my Buddy or if he doesn't answer when I have a question, what do I do?

You can always ask one of the tutors of the International Office. They will help you whenever they can.

Who can I ask if I have questions about the City/Study/University my Buddy can't answer?

Ask the tutors of the International Office. They will tell you what to do.
