

Before travelling to Hungary

- Non-EU/EEA nationals that require a visa to enter the Schengen Area and if their stay in Hungary exceeds 90 days **must apply for a residence visa (Type D visa) in person at a Hungarian Embassy or the Hungarian Consulate General before entering Hungary.**
- Applications are submitted through the nearest Hungarian Embassy or Consulate. In most cases, students will also need to attend an interview.

Find the closest Hungarian Embassy or Consulate to

you: <https://konzinfo.mfa.gov.hu/en/embassies#hungarian-embassies-abroad>

- **The list of required documents can be found:**
<https://oif.gov.hu/factsheets/residence-of-the-student-pupil> (Question 5).

For your application the **University will issue the following documents:**

- **Self-funded international students paying their own tuition fees** – a 'Letter of Acceptance' document confirming your programme details and the advance payment of your tuition fees
- **Stipendium Hungaricum scholarship students** – A 'Letter of Acceptance', or 'Decision' document, confirming your programme details. In addition, you will also receive a 'Letter of Award' from the Tempus Foundation, confirming the award of your scholarship
- If the visa is approved, **you will receive a single-entry type D visa for a stay of 30 days.** Upon arrival in Hungary, you will be able to collect your residence permit.

Important note: Do not start any resident permit application online, because you have already initiated the process at the Embassy/Consulate when applying for the D type visa!

After arrival

- **If you travelled to Hungary with a Type D-visa and already applied for the residence permit at the Hungarian Embassy/Consulate in your home country, you only need to receive your residence permit.** The residence permit will arrive at your study institution (in this case *International Education Office of Obuda University*), and you will be informed when and where to pick it up.
